In the Matter of THE APPLICATION OF  
WILHOIT WATER COMPANY, INC.,  
THUNDERBIRD MEADOWS SYSTEM,  
FOR INCREASE IN THE DEBT  
AUTHORITY APPROVED BY THE  
COMMISSION IN DECISION NO. 71234

W-02065A-10-0041

**REQUEST TO INCREASE  
FINANCING AUTHORITY**

Decision No. 71234 authorized the Company borrow \$145,877 to finance the costs of constructing new storage capacity to comply with ADEQ regulations. The Company applied for and was approved for a loan in that amount from the Water Infrastructure Finance Authority of Arizona (WIFA) to pay for the new storage capacity.

Prior to the closing of the loan, the United States Environmental Protection Agency issued a memorandum declaring that all loans issued by WIFA must comply with Davis-Bacon Act Wage Requirements. To comply with all of the requirements of Davis-Bacon, the contractor selected by the Company was forced to revise the costs needed to install the new storage capacity.

The additional costs to comply with Davis-Bacon requirements amount to \$14,123. The Company now requires authority to borrow \$160,000 to complete the storage project.

The Company has had discussions with WIFA officials who indicate that the additional funds to pay for the project would be available if the additional debt authority is received from the Commission.

The Company requests the Commission increase the debt authorization in Decision No. 71234 to \$160,000.

DATED this 1st day of February, 2010.
